

NEIGHBOURHOOD WATCH STREET SIGNS

**APPLICATION FORM FOR SIGNS BEING FITTED TO
STREET LAMPPOSTS AND ELECTRICITY POLES**

Please complete this form and return it with a cheque for the relevant costs, to:
Ian Mace, Greystones House, Mill Lane, Corston, Malmesbury. SN16 0HH

Name and address of person applying

.....
.....
.....

Name of scheme(s)

Scheme Registration number (if known)

I require the following signs: (please enter number as appropriate)

..... NEW SIGNS

..... REPLACEMENT SIGNS (to replace existing damaged or faded signs)

I understand the supply and fitting of initial or replacement signs cost £35.00 per scheme (2 signs)

I have enclosed a cheque for £..... made payable to 'W & SNHWA'

I understand an approved appointed contractor will, in line with current regulations and requirements of Wiltshire Council, erect the signs. In the event of a dispute, the final decision as to the exact positioning will be with the Wiltshire Council Environmental Services Department

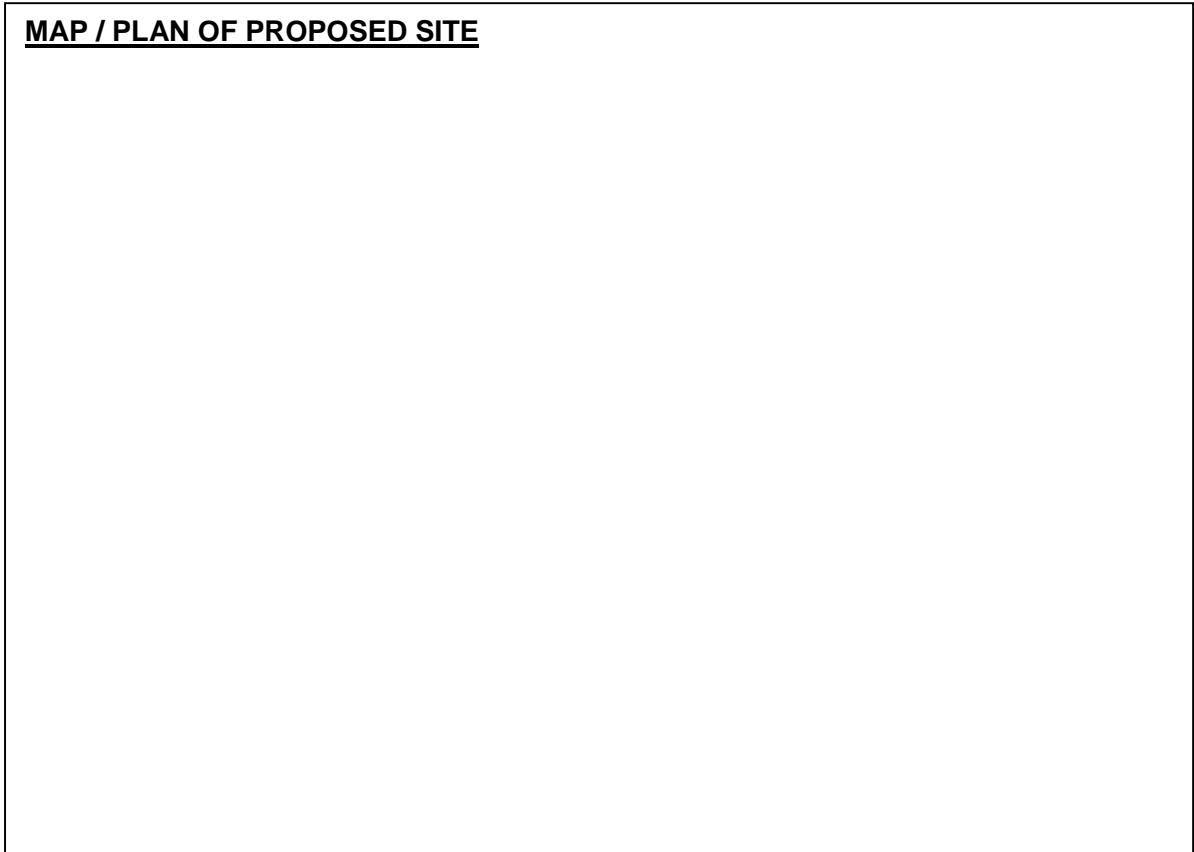

The Coordinator must be aware that these NHW signs will only be attached to street lighting columns or electricity poles owned and maintained by Wiltshire Council. They will not be attached to traffic signs or BT posts. Only Neighbourhood Watch signs fixed to Wiltshire Council street lighting columns will be covered by Wiltshire Council Public Liability insurance

Only signs and fixing systems approved by Wiltshire Police will be used

I/we having read and agreed to the requirements/conditions above hereby apply for NHW signs to be supplied

Signed Date

MAP / PLAN OF PROPOSED SITE

Please sketch a map / plan indication the proposed location of the street signs. Alternatively you could use an online mapping service to print the map (i.e. Google Maps)

- Indicate which way the signs are facing with an arrow. For example:

Contact details for use when installing signs

Name

Telephone number
